

SAMSUNG

Heart Beat

Follow your heartbeat.
Anytime.

Galaxy Watch3 | Active2

Exclusive promotion at selected Unity and FairPrice outlets.

Watch over your health matters

Track your blood pressure and ECG wherever you go, whenever you wish.

Hit your best, then do it again

Mirror over 120 home workouts from your phone to your TV while monitoring your heart rate in real-time.

Fall-safe fall detection

Equipped with fall detection, your watch can send swift signals for immediate aid should you have a fall.

The easier way to pay

Say goodbye to bulky wallets. Set up Samsung Pay on your watch and pay from your wrist.
