

Ring in the new Galaxy

The watch that knows you best

Key Features

Watch over your health matters
Track your blood pressure and ECG wherever you go, whenever you wish.

Body composition analysis
Monitor more than just your weight —measure Body Fat³, Fat Mass, Skeletal Muscle, Basal Metabolic Rate (BMR) and Body Mass Index (BMI)

Advanced sleep tracking
Understand the quality of your sleep with continuous blood oxygen⁴ monitoring, snoring detection and advanced sleep insights

Wear OS Powered by Samsung
Enhance your smart watch experience with a suite of Google Apps and Play Store access

Hit your best, then do it again
Mirror over 120 home workouts from your phone to your TV while monitoring your heart rate in real-time.

Fail-safe fall detection
Equipped with fall detection, your watch can send swift signals for immediate aid should you have a fall.

The easier way to pay
Say goodbye to bulky wallets. Set up Samsung Pay on your watch and pay from your wrist.
